

ROCKPORT SCHOOL

INDEPENDENT PRE-PREP, PREP AND SENIOR SCHOOL

Founded in 1906 as an independent Prep School, Rockport now offers the opportunity to go through from the age of three to sixteen or to join the school at any stage and go through to GCSE.

While the school is fully involved in 11+ preparation, the grade obtained by external applicants at age 11 is irrelevant, as the school has its own means of assessment. Main transfer ages from Rockport are eleven and sixteen, with a few pupils transferring at thirteen. The Senior School offers a choice of 17 GCSE subjects.
